### **Fire Precaution Level Lowered Public Use Restrictions Lifted**

**Klamath Falls, Oregon** - Due to cooler temperatures and rain, the Industrial Fire Precaution Level (IFPL) on the Fremont-Winema National Forests has been lowered to IFPL I effective today. This applies to public lands managed by the Bureau of Land Management's Lakeview District (Lakeview and Klamath Falls Resource Areas) and the Forest Service's Fremont-Winema National Forests (Bly, Chemult, Chiloquin, Klamath, Lakeview, Paisley and Silver Lake Ranger Districts).

In addition the public use restrictions banning open campfires, off-road vehicle travel and smoking only while stopped in a cleared area or while in an enclosed vehicle have been lifted.

Under IFPL I, firewood cutters may operate power saws all day.
